

County Move Cracks L. G. Bottleneck

Commission Rules Against Medics; Refuse Easement Abandonment

SAN DIEGO (CNS) — The Lemon Grove Medical Group will have to get a 99-year lease on any property it intends to use for off-street parking in connection with expansion of its facilities at 3240 Main St., the County Planning Commission decided Thursday.

The commission ruled that the lease the medical group has on property across the street from its offices is not for a long enough period and is not for a large enough area.

Dr. Willis H. Miller, county planning director, told commissioners that the doctors' organization had asked for two variances from the zoning ordinance, one relating to how close it could build to its side property lines and the other to off-street parking.

He said the doctors' property is zoned partly commercial and partly residential-professional, both requiring that 50 per cent of the site be reserved for off-street parking.

By extending existing buildings, Miller said, the doctor faced the problem of not expanding as much as they wished or finding compensatory parking space elsewhere.

The side-line variance has already been approved, but it is conditioned upon providing the required parking.

At Thursday's session, the commissioners were asked to accept 3,000 square feet of parking area at the northwest corner of the intersection of Main street and Daytona street as the alternative for off-street parking on the medical group's own property. Miller said the lease is for five years, with two options for five-year renewal periods. He questioned whether this was "the permanently maintained parking area" described in the zoning ordinance. He also said the proposed area is 4,470 square feet short of the space required by the ordinance.

Robert Berrey, deputy county counsel, said any lease should be for 99 years, to fit the legal meaning of "permanent," and the land leased should be put in the new "P" zoning, to reserve it solely for parking purposes.

Four zoning variances were granted to Lemon Grove property owners at Thursday's session of the County Planning Commission.

However, Ralph B. Tuttle, one of the applicants, got only half of his request. He asked for a variance to allow him to build 40 feet, instead of the required 50 feet, from the center line of Riviera drive, near Rojo Tierra dr., and four feet instead of five feet from the edge of his property. He was granted only the latter part of his request.

Others who won variances were Mr. and Mrs. Frank E. Wilkes and Edward F. Scanlan, both asking to be allowed to build closer to their rear property lines than the ordinance requires, and Clarence C. Engbertson, seeking to build closer to the front property line.

The Wilkes property is at the intersection of Pacific and New Jersey avenues; that of Scanlan at 3701 Jill lane, and Engbertson's is at 8725 Ildice st.

Action on a pending request for a variance to permit a service station at Sweetwater rd. and Troy st., sought by James T. Lambert, was again put off this time until the commission's September 23 meeting.

An application for commercial zoning for about three-fourths of an acre on Mt. Vernon st., Lemon Grove, was turned down Thursday by the County Planning Commission.

The land, owned by four persons, lies on the north side of Mr. Vernon, between Imperial and Arcadia ave.

The application for the change of zone, from zoning for duplexes to C, was made

by Frank F. Loveday, based on the claim that the property adjoins the right of way of the San Diego and Arizona Eastern Railway, so is no longer suitable for residences.

The commission disagreed, pointing out that each of the four parcels is now occupied by a dwelling. It was also stated there is ample business zoning in the area and the lots in question are too small for business, without having to ask for variances.

Library Announces Class Visit Hours

The Children's Department of the San Diego County Library, Lemon Grove Branch, announces the closing date for returning Reading Club lists to the Library will be Saturday, September 24, and invitations to the Awards party will be sent for 9 a.m., Saturday, October 1.

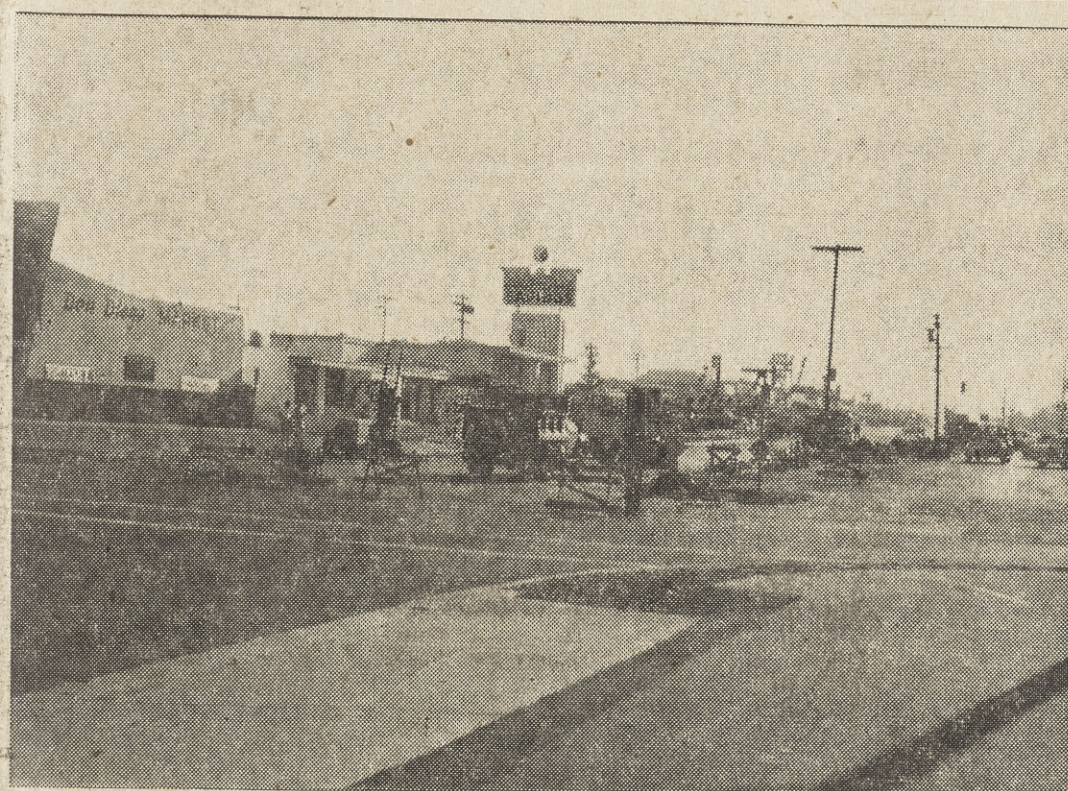

Scheduling for school class visits are now open. Teachers who want to schedule may call the Library, HO 3-5982, for a class hour at the Library Tuesday at 10:30 a.m. and Thursday at 10:30 a.m. or 1 p.m. All grades are invited.

Rotary Club To Welcome Dist. Governor Burr

The Lemon Grove Rotary Club will host Monday to Walter Burr, Governor of Rotary District 534, who is making his annual official visit to each of the 47 clubs in the district.

He will address the local club and confer with Lemon Grove President Arvid Johnson, Secretary Ron Grabonski, and committee chairmen on Rotary administration and service activities.

The club meets on Mondays at El Morocco.

NEW LOOK—Lemon Grove becomes more treeless in appearance as five trees are removed on the south side of Broadway between Main and Olive streets to make way for further Broadway widening, breaking the Olive-Main street bottleneck. The trees, which once marked the east limits of Broadway, remained until this week in spite of protests that they created a traffic hazard by obscuring the vision of oncoming motorists.

The State Division of Highways, which held ownership of Broadway until the opening of the freeway, claimed the trees to be things of beauty and said the natural resources of the state would be violated if they were removed. The County Road Department unceremoniously lifted them out this week. In the photo is the equipment which removed the trees minutes before, and the bottleneck will be removed within the next few days.

Broadway Tight Spot Eliminated

The battle of the Broadway bottleneck has ended.

The county road department this week began widening the short stretch of Broadway between Olive and Main streets, an improvement of approximately 360 feet in length.

The section had been coupled to a Road Improvement District program launched by property owners on the east end of Broadway and was not included in the west Broadway improvement project completed earlier this summer when the west stretch of Broadway was made into a four lane road.

As a result, the road constricted traffic to two lanes east from Olive and west from Main streets.

H. M. Taylor, chief of survey and planning, county road department, said the road would be widened about 13 feet from the end road paving on each side of the present road. To accommodate the widening, trees were removed from the south side on the property owned by A. F. Sonka. On the north side the improvement will take the sidewalks from in front of Don Diego Market and Southland Savings and Loan.

Taylor said the improvement is a temporary one and that money was yet to be budgeted for developing the short strip to the standards of west Broadway.

The project started Monday and should be completed before the end of next week.

Warning Given

There has been a rash of false alarms received by the Lemon Grove and Spring Valley Fire Departments lately. It should be noted that the turning in of a false alarm constitutes either a misdemeanor or a felony, depending on the circumstances.

According to the Penal Code of the State of California, Part 1, Title 14, Malicious Mischief, Section 625a, False Alarms:

(1) Any person who willfully and maliciously turns in a False Alarm is guilty of a misdemeanor, punishable by imprisonment in the County Jail not exceeding one year, or by fine not exceeding one thousand dollars (\$1,000), or by both such fine and imprisonment.

(2) Any person who willfully and maliciously turns in a False Alarm, and great bodily injury or death is sustained by any person as a result thereof, is guilty of a felony, and is punishable by imprisonment in the State Prison for not less than one year or more than five years, or by a fine of not less than five hundred dollars (\$500) nor more than five thousand dollars (\$5,000), or by both such fine and imprisonment.

UF Supported Agencies Used at Record Rate

Lemon Grove young people are joining local recreation and character building agencies supported through the United Fund at a record rate, Byron Netzel, Lemon Grove Division, campaign chairman, reports.

At the same time, their parents and other adults in the Lemon Grove area are using other facilities provided by United Fund-supported agencies in ever increasing volume.

Netzel reported the results of a survey conducted last year by the Community Welfare Council.

He said the biggest youth agencies, and their local membership, are: Boy Scouts, 478 members; Girl Scouts, 583; Camp Fire Girls, 419; YMCA 136; YWCA, 17; Boys' Club 1396.

Some youngsters using these agencies have parents who car pool to pay the cost of their children's program, Netzel said. However, not all children are that fortunate. Where the parents cannot afford to pay the full cost, the United Fund makes up the difference.

American Red Cross—775 Motor service passengers.

Children's Hospital—111 patient care days.

Legal Aid Society—150 legal services performed.

Children's Home Society—19 cases.

Family Service Association—395 office visits.

Homemakers Service—18 days' service.

San Diego Hearing Society—26 services.

Visiting Nurses—245 visits.

Retarded Children's Association—4 children.

Epilepsy Society—11 persons.

Cerebral Palsy Foundation—3 persons.

Salvation Army, Door of Hope—72 days' care.

The United Fund supports total of 97 health, welfare, and social service agencies through its annual campaign. Overhead costs are kept below 9 per cent for all campaign and administrative functions, in comparison to the 50 per cent or more experienced with typical separate campaigns by individual agencies.

the DIMMER VIEW

by MAX GOODWIN

The City of San Diego Council, each member (except one) of which has his toe in the wringer concerning parking meters, has reversed its own field again and is denying the citizens of the city the right to decide whether or not parking meters should be banned.

With only Councilman Ross Tharp dissenting, the group decided last week that parking meters were not a proper issue for the "pipples" to decide. Even our good and great friend Mayor Charlie Dail had to roust himself out of the sickbed to answer the call of duty lest a majority of councilmen decide citizens of the City should have a voice in its parking affairs.

If the average citizen thinks he can get his foot in his mouth and a wrench in the gears, he would have to do much better to match the S.D. parking meter mish-mash.

It started when the council succumbed to the advice of City Manager George Bean who advocated shorter parking time at a greater coin cost. Then they changed the matter so that you could drop a dime in for a nickel's worth of parking out you wouldn't use pennies at all. Regardless of what the City Fathers believe, some of the "pipples" they serve, especially those who have to work for a living, are not far removed from a penny economy.

This unhappy arrangement which was good for the meters and bad for the motorists the meters were originally developed to serve, soon brought howls from business people and shoppers alike.

As if to add insult to injury, the City uses Meter Maids, a group of dedicated women, to patrol the streets with but one aim in their professional life—that of tagging the motorists who might be as little as one minute late.

As a further harassment, the city so shortened the deadline for paying the parking assessment that it was nearly impossible for the average citizen to re-arrange his life to meet the deadline. This has since been changed.

The Council has taken the issue off the ballot in November by explaining that only "initiative" matters may properly be voted upon. Ordinances may be removed only by referendum, say they. Referendum to repeal existing ordinances must be started within 31 days of the passage of the ordinance, according to the City Attorney, so it is much too late for that. He also pointed out that the City Council had the sole authority to eliminate the meters.

Normally, we don't get as concerned about San Diego city problems as the City sometimes does about those of Lemon Grove and Spring Valley ones, but we cannot help but point out that if and when city government comes to this area, it shouldn't be the government in the south end of San Diego Civic Center.

Make no mistake about it, the United Fund is threatened. While there are only six agencies now conducting separate campaigns in the county, a United Fund failure this fall could well result in more — 97 more if all the United Fund agencies (Continued on Page 3)

Coordinating Council Sponsors Hearing

Dr. Melvin Crain, professor of political science at San Diego State College, and Clair M. Burgener, San Diego businessman and civic leader, will present the Democratic and Republican platforms and policies Monday at 7:30 p.m. at a public meeting sponsored by the Lemon Grove Coordinating Council in the Lemon Grove Junior High School cafeteria.

It is billed as a non-partisan information meeting.

Dr. Crain will present the views of the Democrats; Burgener the Republican side. Area representatives of both parties will then be hosts for a social hour to follow the meeting.

Roy Erwin, Lemon Grove Area Republican Club president, said Mrs. Paul Harvey will be in charge of arrangements for their group. Mrs. Hans Jacobson will be in charge of arrangements for the Democratic group.

Baby sitting services will be provided free by 19 members of the Junior High Pilgrims Fellowship of the Lemon Grove Congregational Church so that a larger turnout can be encouraged.

Baby sitting arrangements can be made by calling Don Drake, HO 9-6037, Deanna Davis, JU 2-2228, or Mike Masse, HO 9-2745.

ation Committee reports will be heard from 7 to 7:30 p.m. the night of the meeting.

A spokesman for the Coordinating Council said the meeting was a step in the Council's program of disseminating information concerning all matters affecting local citizens.

SITTERS—Several "baby sitters," members of the Senior High Pilgrim Fellowship of the Lemon Grove Congregational Church, who have offered to sit "free" for parents to attend the Coordinating Council meetings

gather around a sort of symbol for their project and one of their young charges. Left to right are Deanne Davis, Don Drake, Vee Seal, and Margaret Smith. The lovely young model is Katy Lasswell. (Staff Photo)

REGISTER TO VOTE

Today is Thursday, September 15, 1960. Does it mean anything to you?

It should. This is the last day you can register to vote. There are several places in Lemon Grove and Spring Valley where you can register. One of these is the First National Bank in Lemon Grove, where a registration table will be set up until the bank closes. When it closes, the table will be set up in the Food Basket store. A. Edna Morgan will be there to help you.

Another place in Lemon Grove is the Mayfair Store. Mrs. Phillips will be manning that table.

In Spring Valley, Betty Seymour Robinson will have registration facilities set up at the Valley Farms on Camino Road.

LEMON GROVE STORES OPEN 'TIL 9 MON., FRI.

WHAT'S DOING

Sid Mansfield, your telephone manager in Lemon Grove

Here's something new. It's a drive-up phone. And right now it's being tested around the Pacific West to see if folks find it as handy and convenient as we think it is. The idea is to provide curbside phone service so you can call without getting out of your car—a real convenience. It's lighted so you can use it at night as well as during the day. We think you'll find it a faster and easier way to telephone when you're in your car and want to make a call.

There's gold in your telephone. Not very much, to be sure. Gold is used because it just won't rust. And it's put in spots such as dial switch points to insure long, trouble-free service. I suppose you're wondering how much the gold in your phone is worth. The folks at Western Electric who make our phones say there's less than a penny's worth in each. That's hardly enough to tip these scales or go prospecting for, but plenty to help keep your phone dependable.

LONG-TIME LA MESAN RETIRES

A resident for 21 years, Joe Kramer of 4411 Merritt Drive, will retire at the end of this month with 36 years service with Pacific Telephone. An open house for his many co-workers here and from out-of-town will be held at the Lemon Avenue Building in La Mesa on September 27th from 3:30 to 6:30 p.m.

Mr. Kramer was born in Romania, formerly Austria, and as a child migrated with his parents to Canada in 1903. His telephone service started in Alberta but due to the climate he came south to Spokane, Washington, and later to the San Diego area. He has worked in the East San Diego and Main Branch in San Diego and in the La Mesa area since August 1924.

He met his wife Maude in Newport, Washington, in 1923 where she was a Chief Operator. Their plans call for many short trips with perhaps settling back in Washington.

News of Spring Valley Estates, Mt. Miguel Terrace and La Presa

By Elaine Horowitz
HO 3-5393

Mr. and Mrs. John Peverly recently returned from Mexico, where they spent a week vacationing, accompanied by their daughter, Sue Ann, their son, Bob Lanette, and a neighbor, Robin Brown.

LITTLE LEAGUE NEWS

Team photos will be taken of the Spring Valley Little League September 17, at 2:30 p.m., on the Avondale School grounds. All members are requested to appear, whether they expect to purchase a photo or not, wearing jerseys and caps.

The playoff games have been completed, the results of which are: in the major league, 1st place winners are the Missiles, Manager-Mr. Larry Wolfram, Coach-Mr. Ed Steiner, Team Mother-Mrs. Donna Hoffman. Second place winners are the Rockets, Manager-Mr. Fred Moore, Coach-Mr. J. Romero, Team Mother-Mrs. J. Romero. In the Minor league, 1st place winners are the Astros, Manager-Mr. Leo Forget, Coach-Mr. Jim Turner, Team Mother-Mrs. Leo Forget. Second place winners are the Meteors, Manager-Mr. Don Doughty, Coach-Mr. Westphal, Team Mothers-Mrs. Pat Doughty and Mrs. Mary Close.

Plans have been made for a Little League Family Picnic at Flint Springs Park, on September 18, from 12:30 p.m. Families are asked to bring their own lunch, chicken as the main course, if possible. Be sure to be there so the boys can all be together to bring the ball playing season to a close.

AVONDALE PTA

The Avondale PTA will hold its first general membership meeting at 7:30 p.m., September 20, at Avondale School.

There will be a short business meeting, followed by "open house", which will afford parents an opportunity to meet and talk with their children's teachers.

Meet Sydney and Lee Merritt of Spring Valley.

Sydney was born in Fort Wayne, Indiana; served as secretary of the Avondale PTA last year, is 1st vice president this year, and works as a "Pink Lady" at Grossmont Hospital.

Lee was born in New Mexico. He works at Convair in Electronic Engineering, has been attending night college since 1953, majoring in physics, was Scout Master for the Boy Scouts, and helped in the Halloween Carnival.

They have three children, Cherie, 6, Chris, 5, and Tammy, 15 months, who have been beset of late by more than the usual amount of mishaps, topped off just recently by Tammy suffering a broken arm, but because of their faith, determination and nature, when you see the Merritts, they always have a smile on their faces, and when you ask for their help, they always have a yes on their lips.

COMPLAINT DEPT.

A new, involuntary organization called the "Passers" has been formed in our community. To join you must be a parent and prove your loyalty by not attending any meetings or helping in any organizations. Their by-word is "Pass The Responsibility", and the membership is growing.

This fact has been brought to light by all the organizations working for the good of the community, through its youth, such as PTA, Little League, Scouts, etc. The men and women who help in these organizations will serve you coffee, teach your child to play ball, ask you to come and watch your son play, invite you to picnics and other interesting events, request a little help on rare occasions, and a bit of interest in your child's activities, only to be met with excuses.

The excuses are always the same; no time, too many other children, no baby sitters, working, or just not wanting to get involved. Speak to any of the responsible members of the community, the ones who help, and you'll find they average from 3-6 children, yet can always find a little spare time. Some hold down jobs, and as long as their children attend school or belong to these groups, feel they are already involved. Baby sitters are provided at most meetings, or children are welcome to attend.

Webster defines community as "fellowship" and fellowship as "mutual sharing". We all share mutually in the responsibility of our children's welfare and benefit thereby. By keeping them active and interested, we forestall juvenile delinquency, and foster family life and mental and physical growth.

Resign from the "Passers" today, and rejoin your community. One afternoon or evening a month, devoted to the organization of your choice, can do more for your child than all the lectures you can give.

Society Awards

Grove Jeweler

Gemologist Title

Proven knowledge in advanced gemology of Mr. Glenn R. Nord with Morrison-Adams Jewelers, 7919 Broadway, Lemon Grove, was announced recently when the American Gem Society awarded him the title of Certified Gemologist, the highest title given by the Society.

The American Gem Society, an organization of jewelers, educators, and laymen throughout the United States and Canada, awarded the title to Mr. Nord after he successfully completed a comprehensive written examination on the science of identifying and evaluating diamonds and other gem stones.

Lester W. Moon, president of the Society, in making the announcement, said, "Advanced gemological knowledge today, in addition to precisely determining the cut, color, and clarity of a diamond, enables the possessor of this knowledge to accurately identify and evaluate gem stones. For example, there are 32 different green stones, 28 yellow stones, and 22 blue stones, similar in color but varying in species, therefore, in value."

Proof of his skill in the use of the instruments used in the identification of gem stones was also included in Mr. Nord's examination for the title awarded him.

Miguel Boosters Build Bleachers

The Mt. Miguel Boosters Club has completed its first project. Mr. Miguel High School now has a completed athletic field, ready for use at the first football game. Through the untiring efforts of its members, the Boosters have erected bleachers to seat over 5,000 people.

All through the summer the swish of paint brushes, ring of wrenches, and tired muscles could be found on the field at Mt. Miguel High.

Mr. and Mrs. Clinton Leep entertained the Board at dinner for the first meeting of the 1960-61 school year, Monday, September 12.

Regular meetings of the Boosters Club will be held November 8, March 14, and June 13 at 7:30 p.m. in the Military Science room of Mt. Miguel High School.

'Organized Confusion' Marks Rancho Opening

Spring Valley's fifth elementary school, Rancho, opened on Monday with "organized confusion", according to the words of Sam Miles, new principal.

Miles spoke these words while surrounded by students, parents, and staff. Outside his office area crowds were gathered in the process of registration. The open air court-hall arrangement was filled to overflowing while school staff members slowly, but surely, processed the students.

David Pascoe, assistant superintendent of the La Mesa-Spring Valley School District, who was on hand at the Monday opening of the not-yet-completed Rancho School, said this of Sam Miles, new principal:

"When Sam learned he was to be transferred from Fletcher Hills Elementary School to Rancho, he asked his staff of teachers who would like to be transferred along with him.

Everyone volunteered. Almost one half of the Fletcher Hills staff has been assigned to Rancho."

The DIMMER VIEW

(Continued)

went out on their own.

The final local decision, of course, must be made by the people of San Diego County. If they intend to be more generous to the agencies out of the United Fund than to those that work together, a disintegration is inevitable. If the giving public intends to stick with United Fund and only the United Fund, then any agency will think twice before pulling out. This is a very proper time for all civic, business, labor, and other organizations of San Diegoans to make their views known.

The contributors are the reasons for the United Fund. This method of one-shot giving was developed to make it easier and less expensive to support the various agencies and services we all need - and use. United giving took the place of a jumble of solicitations for scores of purposes.

Under the old system, you received some kind of appeal every week or two. It was hard to know how to allocate your money. In the aggregate, the donors paid much more than necessary because of the overhead cost of individual solicitations. The supporters of each good cause had to give a large amount of time to raising money. It was an expensive and time-consuming business.

For years the people of San Diego County wanted something like the more efficient United Fund method. Now we have it. What are we going to do about it?

Apparently some agencies have had complaints against the allocation of money through United Fund. It is difficult for rapidly expanding services in our fast-growing county to keep up with expanding demands. But such difficulties can be overcome.

All that is needed is for each and every one of us to support the United Fund, fairly and fully. Now is the time to make a fair share pledge or gift. Now is the time to give once, but give enough, to support the almost 100 agencies in the United Fund.

New Building Started on Imperial Ave.

A commercial building to house four business firms is being built by the Sonka Brothers on Imperial between Golden and Central, according to A. F. (Tony) Sonka.

He said the building would have 7,320 square feet of floor space plus a parking area 220 by 125 feet in size. The parking area would be an extension of the Food Basket Market parking area.

The new building will house a barber shop, a beauty school, a dry cleaner, and a loan firm. The leases were handled by the Percy Goodwin Co.

Completion is expected by the first of November, Sonka said.

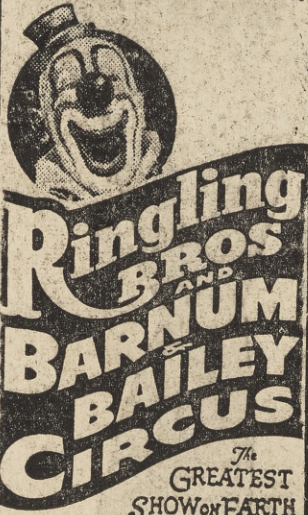

Pvt. Wooten Lands in Korea

1ST CAV. DIV., KOREA (Spcl.)—Army Pvt. Shirley L. Wooten, son of Mr. and Mrs. Dee E. Wooten, 4042 Camino Paz, Spring Valley, recently arrived in Korea and is now serving with the 1st Cavalry Division.

Wooten, a wireman in Headquarters Company of the division's 40th Armor, entered the Army last March and completed basic combat training at Fort Ord, Calif.

The 19-year-old soldier is a 1959 graduate of Mount Miguel High School.

YWCA Offers Adult Classes

A number of new activities will be offered for the first time under the auspices of the Hoover High Adult Education Department and held at Seminoles YWCA Center, 4848 Seminoles dr., San Diego.

Drama, Photography, with emphasis on the taking of pictures with simple cameras, and a practical course in the Introduction to Art, are being offered on Wednesday, 6:30-9:30 p.m.

On Wednesday, Millinery will be taught from 10 a.m. to 2:30 p.m.; on Thursday, 9 a.m.-noon. Sewing; and on Friday, 9 a.m.-noon, Interior Decoration.

Except for millinery, classes under the auspices of the Adult Education Department are offered without charge. For further information, call the Seminoles YWCA Center at Jupiter 3-3821.

Monterey Heights Spaghetti Dinner PTA Highlight

Monterey Heights PTA will hold its annual spaghetti dinner at 5:30 p.m. Thursday, September 22, in the school cafeteria. This is an opportunity to welcome parents to their children's school.

Following the dinner will be a business meeting at 7:30. The theme being "The Door is Opening to New Understanding, Welcome Parents."

The program will include a representative from the California Water Authority to speak on the California water plan.

Also included will be a medley of songs by the well known song stylist, Mrs. Richard Meads, who is a San Diego Globe Theatre Atlas Award Winner.

Principal Arthur Thomas will speak on "What is a Child?" Mr. Thomas will also answer any questions the parents might have at this time.

California Residents May Obtain Proof of Age from Census Bureau

Last year, 13,074 residents of California turned to the U. S. Bureau of the Census for help in proving they were born. These persons were among an estimated 30 million United States residents who are without proof of age or birth. The historical records of the Census Bureau provide the only source of this information for most of these 30 million people.

Proof of age or birth is needed today to collect social security and other retirement benefits. It is needed to obtain passports. It is needed to qualify for jobs carrying certain

age or citizenship requirements. It is needed for some forms of insurance.

Since 1920, the Census Bureau has provided more than three and one-half million persons with copies of their census records on age, place of birth, citizenship, or kinship. Persons seeking such records should write to the Personal Census Service Branch, Bureau of the Census, Pittsburgh, Kansas, for a Census Records Search Application Form. A fee of \$3.00 is charged for a search of not more than two censuses for one person and for one copy of the in-

formation found. Additional copies cost \$1.00 each. An expedited search costs \$4.00. Expedited searches are usually completed within a few days while the routine \$3.00 search may take up to 30 days, depending upon the backlog requests and the ease of difficulty in locating the information.

The personal information in the records of the 1900 and later Censuses is confidential by law and may be furnished only upon the written request of the person to whom it relates or, for a proper purpose, a legal representative such as guardian or administrator of an estate. Information regarding a child who has not reached legal age may be obtained upon the written request of either pa-

C de O Club Plans Booths for Fiesta

The Casa de Oro Woman's Club is planning to have a "White Elephant" and "Green Thumb" booth in the "Spring Valley Days Fiesta," October 19. Donations are requested to fill the booth. For the "White Elephant" section, such things as dishes, good books, and various other small items are needed. For the "Green Thumb" section, any small plants may be donated. The Casa de Oro Woman's Club is a non-profit organization.

Those caring to donate may call either Mrs. Dorothy Bradford at HO 3-2664 or Mrs. Marguerite Iles at HO 9-2994.

BEAT? ... MAN, LIKE YEH! — Over the pulsating throb of an accompanying bongo rises the exotic, philosophical words of "Yeh, yeh, like yeh," as the "Beatniks," all seven of them, of the Lemon Grove Woman's Club Juniors tossed their inhibitions to the winds and let their hair down during the first meeting of the club for the 1960-61 club year. A skit, "Beatnik Women's Club," directed by Mrs. John (Imel) Gibson and written by Mrs. Gibson and Mrs. William O'Toole, was "laid down" to the group when they met Tuesday. Was it good? Man, like cool. (Staff Photo)

LG Juniors Plan Party

A "Orientation Party" for new members and prospective members of the Lemon Grove Women's Club Juniors will be held next Tuesday, according to Mrs. James Dargitz, publicity chairman.

The party will be held at the home of Mrs. William Frenken, 8831 Rosefield dr., Lemon Grove, at 8 p.m.

Mrs. John Gideon, president of the San Diego Federation of Women's Club Junior Membership, and Mrs. Warren Peterson, first vice-president of the Federation, will be guest speakers. Mrs. George Leizen, president of the Juniors, will welcome all the new members.

Mrs. Farrell Patton, general membership chairman, states that the club is open to all women between the ages of 18 and 35 who are interested in community service and that anyone who is interested in joining should contact her at HO 9-1013.

DeMolay Meets at Annual Convention

The Southern California DeMolay Association Annual Convention was held at the Wilton Hotel in Long Beach, Calif. September 1 through September 4. There were Initiatory Degrees and DeMolay Degrees presented. Workshops were conducted and Sunday night Jurisdictional officers were elected and Miss Diana Ferber, Honored Queen of Burbank Bethel 208, Burbank, California, was chosen sweetheart of the Southern California DeMolay Association.

Among the members of the Lemon Grove Chapter of the Order of DeMolay attending were: Jack Miller, Richard Burns, Robert Nelson, Frank Setchell, Dennis Thorogood and Thomas Devin.

Guild to Host 'Candle Light Tea'

The Alcala Guild of the University of San Diego will host new members at a "Candle Light Tea," which will be held in the Lark, Hall of Arts and Science, on Monday, September 19, at 8 p.m.

A welcoming address will be given by the Very Rev. Russell Wilson, president of the University of San Diego, College for Men. Plans for the "Haute Mode de Paris" Luncheon and Fashion Show will also be discussed.

Mrs. Phillip Nacozy and Mrs. Stephen J. Barres will pour.

Grossmont Hospital Auxiliary Honors 123 Volunteer Workers

The Grossmont Hospital Auxiliary honored 123 volunteer auxiliary workers, who contributed 35,198 hours of service last year, at a luncheon and meeting in Singing Hills Country Club last Friday at noon. This figure includes 1,897 hours contributed by 15 Junior members. Mrs. James V. Dickson, awards chairman, announced that 139,753 hours have been given to hospital service during the past five years.

Members giving over 400 hours during 1959 include: Mmes. Mearl L. Baker, Vinard Francisco, Lysle Kimsey, Clifford Leach, Don Smith, and Charles Stalker. Those giving over 600 hours were Mmes. Arthur Elliott, Frank Evans, L. O. Jensen, Von Marshall, and P. A. Schoonhoven.

Mrs. Lysle Kimsey added a delightfully humorous touch with her "Who Told You That" report on the 52 charter members still active in the auxiliary. Charter members had been provided with tiny bells which they were to ring when statistics applied to them. The bells sounded for such things as more than one hour a day on the telephone, receiving speeding tickets, saving trading stamps, doing own housework, playing bridge, wearing glasses, and wishing to be thinner. Mrs. Kimsey's final record showed that 3,016 years of experience and 7,020 pounds of love had been contributed to community service through the Grossmont Hospital Auxiliary; that the average charter member was 58 years old, weighed 135 pounds, and was five feet four inches tall. The total height, she concluded, is 277 feet and that is why these wonderful women are known as leaders in their community.

Mrs. Vinard Francisco reported on the national convention of the American Hospital Association and introduced Mr. Louis Peelyon, Grossmont Hospital Administrator, who had been granted membership in the American College of Hospital Administrators at a special convention for national candidates on August 28 at the San Francisco convention.

By-laws pertaining to the Junior membership and to raising associate members dues to \$10, were unanimously passed, according to Mrs. John Landsco, parliamentarian.

Mt. Helix White Shrine
The Mt. Helix White Shrine will meet tomorrow night at 8. This meeting is Charter Member night and marks the thirteenth year of the organization.

Mrs. Carl Barnes is the First Worthy High Priestess. Mr. John Carmichael is the First Watchman of the Shepherd. Social Chairman is Mrs. Clayton

New Faculty Welcomed To Grossmont District

Grossmont Union High School teachers took time out of a heavy schedule of pre-school workshop sessions to welcome new faculty members at various social functions. The party times were scheduled to help new teachers get acquainted with fellow workers before classes began on September 12. Grossmont Teachers' Association entertained 18 new faculty members at an evening patio party at the home of Lloyd LaPlant, math teacher, in El Cajon. The informal open house was arranged to let new and old visit and have fun. Ernestine Klerekooper assisted the LaPlants with plans.

A picnic for the entire staff of El Capitan High School honored their 13 new teachers at El Monte Park, Sunday, Russell Savage, principal, and Mrs. Savage entertained at tea for the new teachers.

At Mt. Miguel, Clifford Phillips, president, and Pat Bender, vice president of the Mt. Miguel Teachers' Association, presented the new teachers with a word picture of the teachers' professional organizations. After the talk, the 25 new members of the Mt. Miguel faculty were guests at coffee time in the patio of the homemaking

department. Phyllis Skidmore, social chairman, assisted with arrangements.

New teachers were also introduced individually at faculty luncheons of their respective schools to all the teachers. They were also scheduled for orientation meetings, department sessions, and meetings where educational problems were discussed.

LOW GRADES DUE TO UNDETECTED READING DISABILITIES

Unknown to parents and teachers, undetected reading disabilities and inadequate basic reading skills may be a chief factor underlying low grades and emotional problems, revealed Eli T. Ross, M.Ed., Director of the El Camino Reading Clinic.

Director Ross pointed out that Dr. Conant, former president of Harvard University, disclosed in his recent survey that in some of our schools 40 percent of the children are not reading as they should. And if children cannot read as they should, how are they to be properly educated?

To eliminate the doubt and to provide the answer for concerned parents and educators, El Camino Diagnostic Reading tests are designed to probe beneath superficial reading skills, said Mr. Ross. Where reading problems are discovered, the 3-fold clinic program helps students achieve the best possible grades; Remedial for students having difficulty at school due to fundamental deficiencies, Developmental for students of any age not working to capacity and Accelerated for the superior student and adult needing a challenge to higher academic achievement.

For Diagnostic Testing, information and clinic workshop schedules, call or write the

Baptist Notes

SPRING VALLEY
FIRST BAPTIST

"The Power of Habits" will be Rev. Roland Taylor's text for the Sunday 8 and 11 a.m. services. In the evening he will be speaking on "A Vital Vocation."

Final plans for the Men's Fellowship dinner and meeting have been made. Scheduled for Friday, the dinner will be held at 6:30 p.m. and the meeting immediately following. Theme of the meeting will be "Scouting" with a movie being shown of the activities of the sponsored troop 325.

The 27th annual Men's Thousand Pines Retreat will be held September 16, 17 and 18. Several men from the S.V. First Baptist Church will attend.

There will be a work party at the church on Saturday. All young people are urged to come help paint and clean the premises.

CASA DE ORO BAPTIST

The closing week-night meeting of the Summer Youth program, held last Friday, proved to be a great climax to the series, said Rev. Ernest Anderson, pastor. The meeting started with an "Around the World" buffet supper, with all kinds of foreign foods. The dining room was very festive with many "foreign" decorations. Mary Hein was mistress of ceremonies, and she, on behalf of the youth, presented corsages and boutonnieres to the sponsors, as a "thank you" indication. Sponsors were Mrs. Lena Anderson and Dempsey Harris of the Senior Youth and Mr. and Mrs. Hern Mayer of the Junior Youth. Guest speaker was Joy Engalls who gave a challenging message on "Running the Race." Miss Engalls is a former missionary nurse from the Belgian Congo.

The closing Sunday meeting of this youth series was most unique, Rev. Anderson said. After the preliminaries the youth were taken to a semi-darkened room, with only a candle behind a rude cross. Purpose of this meeting was to find out how much of the Bible was known from memory in the event Bibles were taken away. Bible verses have been memorized during the summer series; thus all who knew them had a part in the meeting. The meeting closed with a tape recorded message by Dean Nemecek on the subject "Can Communism Conquer Christendom?"

On Thursday the Girls Missionary Guild for 7th and 8th graders will meet at the church at 3:30 p.m. for another interesting meeting under the guidance of Mrs. Marjorie Maxwell, counsellor.

Christian Science

"It is the spirit that quickeneth; the flesh profiteth nothing." These arresting words of John (6:63) are the Golden Text of the Lesson-Sermon on "Matter" in all Christian Science churches Sunday.

How freedom from the bondage of sickness and sin can be gained through wholly spiritual means will be emphasized in the sermon. The Scriptural passages will include Luke's account of the healing by Christ Jesus of the woman "which had a spirit of infirmity eighteen years, and was bowed together, and could in no wise lift up herself."

EASILY ALTERED

Wood frame buildings are easily altered or repaired because openings can be cut and additions made without difficulty.

STOP

Amazing new V.I.P. treads stop you NOW when you hit the brake. Here's a new kind of re-trake that literally grabs the road for extra traction under all conditions. V.I.P. re-treads improve steering, too — and they save you dollars!

Regular worship services will be held at Trinity Presbyterian Church, 3902 Kenwood dr., Spring Valley, Sunday, September 18. The Rev. Keith A. Mitchell will preach the sermon at both the 9 and 10:30 a.m. services. There will be church school at both hours, and child care for infants.

There will be a coffee fellowship between services on the church patio. The Primary, Junior and Westminster Choirs will rehearse between services.

At 3 p.m., the new Adult Membership Class will meet for its second session. Anyone wishing to unite with Trinity is welcome to attend. The classes will continue through October 16.

The Women's Association will have a luncheon and program on Tuesday, September 20, at 12 noon.

On Friday, September 16, the Clipper Club is serving its annual barbequed fish dinner from 5:30 to 8. Proceeds will be given to the Trinity Christian Scholarship Fund.

GOD'S MINUTE

REV. H. C. BAKKEN

"GOD'S LOVE"

God's love working in us makes us servants. We will want to serve God and His Kingdom. We will also become aware of our responsibility to serve our fellowmen. This service will always draw others toward the God's love and God's Kingdom.

Legal Notices

AREA NO. 109 - GLENCOE DRIVE, et al.
LEMON GROVE SANITATION DISTRICT

NOTICE INVITING SEALED PROPOSALS

Pursuant to the provisions of the Improvement Act of 1911 and to Resolution Ordering Work adopted on August 30, 1960, by the Board of Directors of the Lemon Grove Sanitation District ordering the work described in said Resolution.

NOTICE IS HEREBY GIVEN that said Board of Directors invites and will receive up to but not later than 11:45 o'clock a.m. of the 27th day of September, 1960, sealed proposals or bids for doing the work and improvement ordered in said Resolution, to wit: the construction of sewers, manholes and appurtenances in GLENCOE DRIVE, et al., in the LEMON GROVE SANITATION DISTRICT, Area No. 109. Such bids will be received in the office of the Secretary of said Sanitation District, Room 306, City and County Administration Building, 1600 Pacific Highway, San Diego, California, and shall be open session.

The Resolution of Intention adopted by said Board of Directors on July 26, 1960, is hereby referred to for a description of said work and improvement, the grades to which it is to be done, a description of the district to be assessed to pay the costs and expenses thereof, the bonds to be issued, and for all further particulars contained in said Resolution of Intention. Reference is hereby further made to the plans, drawings, typical cross-sections and specifications for said work on file as Document No. 286208 in the office of the Secretary of said Sanitation District, in accordance with which said work shall be done. Copies of plans, forms of proposal, bonds, contract and specifications may be obtained at the office of the Department of Public Works, 4005 Rosecrans, San Diego, California, for the sum of \$8. Said payment is not refundable.

The said Board of Directors, in accordance with the provisions of the Labor Code of the State of California, has heretofore established the general prevailing rates of wages applicable to the work to be done, which rates are as follows:

CRAFT OR TYPE OF WORKMAN PER DIEM WAGE

TRUCK DRIVERS

Foreman: 25c above the highest classification over which he has supervision.	
Dump Truck Drivers - Water Level:	
Less than 4 yards	25.24
4 yards but less than 8 yards	25.45
8 yards but less than 12 yards	25.88
12 yards but less than 16 yards	26.52
16 yards or more	28.28

Drivers of Trucks - Legal Payload Capacity:

Less than 6 tons	25.24
6 tons to 10 tons	25.45
10 tons to 15 tons	25.88
15 tons to 20 tons	26.52
20 tons or more	28.28

Drivers of: A-Frame Trucks

Transit Mix Trucks: Under 3 yards	27.16
3 yards or more	28.28
Road Oil Spreader Trucks	26.96
Bottoms	26.96
Damperete Truck - Water Level less than 6 1/2 yds.	27.16
Water Level 6 1/2 yds. and over	28.28

Water Truck Drivers:

Under 2500 gallons	25.72
2500 to 4000 gallons	26.08
4000 gallons and over	27.16

Truck Greaser and Tireman 27.88 || Truck Repairman or Welder Helper | 31.28 |
Houseman, Teamsters, Helpers, Swampers	26.12
Houseman - Clerk	24.60
Industrial Lift - Truck Driver	25.72

Power winch, or similar special attachments.

ELDERS - Same wage scale as craft to which welding is incidental.

CLASSIFICATION OMITTED HEREIN NOT LESS THAN 21.44 PER HOUR.

ERTIME AND HOLIDAY WORK: Time and one-half for all overtime, except Sundays and holidays, which are double time. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

In accordance with the provisions of Section 1777.5 of the Labor Code, and in accordance with the regulations of the California Apprenticeship Council, properly indentured apprentices may be employed in the prosecution of the work.

Information relative to the number, classification, identification, wages, hours of employment and standards of working conditions shall be obtained from the Director of the Department of Industrial Relations, who is the Administrative Officer of the California Apprenticeship Council, 119 State Building, San Francisco.

The said Board of Directors reserves the right to reject any or bids, and to waive technical errors and discrepancies, if it do so

seems to best serve the interests of said Sanitation District.

Bidders must satisfy themselves by personal examination of the location of the proposed work and by such other means as they may prefer as to the actual conditions and requirements of the work, and shall not at any time after submission of the bid or proposal dispute, complain, or assert that there was any misunderstanding in regard to the nature or amount of work to be done.

All proposals or bids offered shall be accompanied by a certified check payable to the order of the aforementioned Sanitation District, or a bond, as is required by law, for an amount not less than ten per cent (10%) of the aggregate of the proposal.

Dated: August 30, 1960.

HELEN KLECKNER
Secretary of the Board of Directors
of the Lemon Grove Sanitation District, Room 306, City and County Administration Building, 1600 Pacific Highway, San Diego, California.

Astro Engineer
To Present Six
Space Lectures

F. A. Ford, chief of preliminary design at Convair (Astronautics) Division of General Dynamics Corporation, will present a series of six two-hour lectures on astronomy and manned space travel starting Oct. 1 at Clairemont high school.

The classes will be open to the general public and will be offered from 7:30 p.m. to 9:30 p.m. each Tuesday. Each session will be in the form of an auditorium lecture, and will include educational films on the combined subjects of astronomy and space travel. Guest speakers will assist Ford with his presentation on several occasions.

Persons wishing to attend the course need not register in advance.

The decision to establish the new course was made by the San Diego city schools because of the success of 10 one-hour television programs conducted on the same subjects by Ford during the past year.
